

GLOBAL CITIZENS PROJECT:

May 31/June 1: Proof of communication with contacts due

June 2/3: Plan B contacts/communication due if no response

June 6/7: Interview update = 3 journal entries due

June 9/10: Rough draft of artifact

June 13/14: Narrative (including journal entries and annotated bib)

June 15-17: Final artifact due

Narrative: Your final narrative should include:

1. Describe an appropriate question addressing a global issue or concern (e.g. water scarcity, ethnic conflict, human rights) and why you chose this question. (1 paragraph)
2. Describe your original thesis as an answer or response to this question. This is your working hypothesis. (1 paragraph)
3. Describe your action plan to investigate the issue. The action plan should incorporate but is not limited to the following:
 - a. A variety of sources consulted (annotated bibliography of at least 7 reputable sources attached) (1 paragraph total)
 - b. Communication with 1 or 2 experts or community members and why you chose those them. (proof of your communication attached) (1 paragraph)
4. Summarize and analyze the state of the problem based on the above. (2 paragraphs)
5. Formulate a conclusion in comparison to your original thesis (1 paragraph)
6. Propose 1 or 2 solutions or possible ways to address the problem (1-2 paragraphs)
7. Describe your artifact, why you chose this medium and how you would implement it and share with stakeholders for further impact. (1 paragraph)
8. A final reflection of the process, including your favorite and/or most difficult part, your successes, surprises, and obstacles. Also what you would do differently next time and suggestions for your teacher on how to implement/support the project. (1-2 paragraphs; attach all journal entries)

Artifact: Create an artifact that calls attention to the issue and incorporates your research. You may create your artifact in English or French.
